

Citizen Science Association Conference 2019 - 13 to 17 March 2019

PRELIMINARY PROGRAM

For details on workshops, field trips, and round tables please see the conference website.

Wednesday, 13 March

8am

Workshop TBA
Ballroom

Workshop TBA
RCC 402

Workshop TBA
NCMNS #1

Workshop TBA
NCMNS #2

Workshop TBA
NCMNS #3

Field Trips

7:00pm

7pm -10pm Opening Reception and Project Slam!
NCMNS #1

Thursday, 14 March

8am

Welcome and Opening Plenary Talk
Ballroom

9:45am

Networking Sessions
RCC 301A

Networking Sessions
RCC 301B

Networking Sessions
RCC 302A

Networking Sessions
RCC 302B

Networking Sessions
RCC 302C

Networking Sessions
RCC 303

Networking Sessions
RCC 304

Networking Sessions
RCC 402

11am

301A-T1 - Sym-81 Not Just Grunt Work: Engaging the Public in Research from Design to Publication
RCC 301A

Symp-92 Citizen Social Science for Environmental Public Health Research
RCC 301B

Symp-129 Scaled BioBlitzes
RCC 302A

Symp-241 Data quality management plans: Lessons learned from the water quality monitoring community
RCC 302B

Problem Drive CS
RCC 302C

Symp-222 Building a Global Mosquito Citizen Science Consortium: Bringing Together Diverse Perspectives for Common Goals
RCC 303

Community Organizing Collaborations
RCC 304

Training
RCC 402

1:45pm

Resilience
RCC 301A

Biodiversity and Environmental Monitoring
RCC 301B

Tech and Tools
RCC 302A

Ethics
RCC 302B

Evaluation
RCC 302C

Symp-156 Design and Practice for Community Science Literacy
RCC 303

Community Organizing to solve problems
RCC 304

Engagement, participation, and research
RCC 402

3:30pm

CSA Member Meeting
Ballroom

4:45pm

Poster Session
Ballroom

Friday, 15 March

8am

Plenary CS in K-12
Ballroom

9:45am

HOLD
Ballroom

Policy
RCC 301A

Symp-167 Get out for air: enabling community and media to engage in air quality dialogue
RCC 301B

Citizen Science Association Conference 2019 - 13 to 17 March 2019

PRELIMINARY PROGRAM

Continued from Friday, 15 March

Symp-173 Possibilities for Voluntary, Independent Ethics Oversight for Citizen Science Projects

RCC 302A

Symp-266 Reaching Girls Through Citizen Science

RCC 302B

Symp-214 Creating a common vernacular: Exploring conversations across citizen science sectors

RCC 302C

Sym-268 Citizen Science: A Tool for Advocacy (EJ)

RCC 303

Classroom Education K-12

RCC 304

Symp-183 Exploring Sustainable Funding Models for Citizen Science

RCC 402

11am

Evaluation (data collection and use)

RCC 301A

Symp-140 From Guest to Scientist: Enhancing Museum Visitors' Experience and Identity through Citizen Science

RCC 301B

Symp-234 Citizen Science in Action: A Tale of Four/Five Advocates Who Would Have Lost Without You

RCC 302A

Classroom K-12

RCC 302B

Symp-238 Advancing the science of citizen science through meta-platforms and meta-analyses

RCC 302C

Participation and Retention

RCC 303

Tech and Tools (Environmental Justice)

RCC 304

Symp-193 Citizen science and beyond: moving youth to scientific inquiry and civic action through citizen science

RCC 402

12:45pm

Lunch and Learn

Ballroom

Lunch and Learn

RCC 301A

Lunch and Learn

RCC 301B

Lunch and Learn

RCC 302A

Lunch and Learn

RCC 302B

Lunch and Learn

RCC 302C

Lunch and Learn

RCC 303

Lunch and Learn

RCC 304

Lunch and Learn

RCC 402

2pm

Work-142 Citizen Science Harvard Workshop (EJ)

Ballroom

Collaboration (Environmental Justice)

RCC 301A

Symp-113 Program Design at the Intersection of Citizen Science and Data Literacy (K-12)

RCC 301B

Symp-189 Towards an Iberoamerican Citizen Science Association

RCC 302A

Environmental Monitoring

RCC 302B

Tech and Tools

RCC 302C

Sym-184 Citizen Science and the University: Institutional innovation, change, and engagement beyond the ivory tower

RCC 303

Participatory Research

RCC 304

Symp-191 Building capacity for partnership-centric community and citizen science in libraries: Using successful projects and library partnership

RCC 402

3:45pm

Education - Youth

RCC 301A

Symp-205 Are Photos Data

RCC 301B

Environmental Monitoring (Environmental Justice)

RCC 302A

Symp-180 Designing technology to maximize cultural diversity, uptake, and outcomes of citizen science

RCC 302B

Symp-216 Best Practices for Place-Based Community-Based Monitoring

RCC 302C

Symp-212 Citizen Science in Higher Education: Classrooms, Campus, and Communities

RCC 303

Evaluation (data quality)

RCC 304

Symp-171 A Different Perspective: Understanding Equity, Diversity and Inclusion in Citizen Science using Community-based Participatory Research

RCC 402

5:30pm

EJ Panel and Program

Ballroom

Citizen Science Association Conference 2019 - 13 to 17 March 2019

PRELIMINARY PROGRAM

Saturday, 16 March

8am

Workshop 243 - Citizen Science Training on the use of Low-cost Real-Time Sensors

RCC 301A

Workshop 149 Improv

RCC 301B

211 - Best Practices, SciComm

RCC 302A

Work-213: Study Design: Developing a Citizen Science Project that Delivers Results

RCC 302B

Work-192 Action Research

RCC 302C

219 - volunteer life cycle

RCC 303

HOLD

RCC 304

Symp-207 Citizen Science Funding Opportunities at the National Science Foundation (NSF)

RCC 402

9am

Omega Wilson - Work-235 (EJ) Citizen Science: Environmental Justice Science for Compliance (Omega)

Ballroom

10:30am

Biodiversity observations

RCC 301A

Symp-89 Cultural Heritage and Citizen Science from the Federal Perspective

RCC 301B

Symp -127 Grow your own: Experimental gardens (Ed K-12??)

RCC 302A

Symp-230 Citizen Science in Action

RCC 302B

Evaluation (Project Ownership and Volunteer Retention)

RCC 302C

Urban Spaces

RCC 303

Symp-218 Program before Project – Infrastructure to Implement Best Practices in Citizen Science, Stakeholder Engagement, and Resource Management

RCC 304

Education - Youth

RCC 402

12:15pm

CSA Working Groups

Ballroom

CSA Working Groups

RCC 301A

CSA Working Groups

RCC 301B

CSA Working Groups

RCC 302A

CSA Working Groups

RCC 302B

CSA Working Groups

RCC 302C

1:30pm

Environmental Monitoring

RCC 301A

Symp-141 Hiding in Plain Sight - Stories of the Search for Volunteer Skill Gains In Data Validation Records

RCC 301B

Symp-178 (EJ) Indigenous People on the Front Lines: Using Citizen Science to Improve Environmental Public Health

RCC 302A

Classroom K-12 Partnerships

RCC 302B

Data Quality and Challenges

RCC 302C

Biodiversity

RCC 303

Inclusion (Environmental Justice)

RCC 304

Evaluation (Motivation and Engagement)

RCC 402

3:15pm

City Nature Challenge and K-12 Schools

Ballroom

Symp-233 Policy Perspectives on Citizen Science

RCC 301A

Symp-187 Tent. CitSci+SciComm: Brainstorming new collaborations

Jean Goodwin
RCC 301B

Biodiversity

RCC 302A

Symp-197 Win-Win Partnerships: How collaboration between citizen science and corporations leads to meaningful impacts

RCC 302B

Symp-204 Ethical Considerations in Funded Citizen Science: Implications for Broader Impacts

RCC 302C

Community Organizing and EJ

RCC 303

Data and Tools

RCC 304

Symp-153, 244, 245 Combined Regional EJ (TENT)

RCC 402

5:30pm

Closing Awards Reception and Plenary: Rob Dunn

Ballroom

Citizen Science Association Conference 2019 - 13 to 17 March 2019
